## QUETTA INSTITUTE OF MEDICAL SCIENCES

Quetta Institute of Medical Sciences was conceived as an idea in 2011, to provide Medical Education to aspiring youth of Balochistan. The Institute was envisaged as a project to enhance medical training facilities in the region. College of Nursing is added to QIMS which impart BSC nursing degree. Institute is recognized by PM&DC (Pakistan Medical and Dental Council; a regulatory body for medical education in Pakistan) and listed in WHO directory of Medical college with accreditation by Foundation of Advancement in International Medical Education and Research.

In pursuance to provide quality medical education to aspiring youth of Balochistan, QIMS is contributing as educational Institute towards Balochistan in following manner:-

- Prime and capacious piece of land in the Cantt has been allocated to QIMS.
- Out of 100 seats, 73 seats are exclusively reserved for aspiring youth of Balochistan. At present 412 students belong to Balochistan out of 498 students, as any seat which remains vacant due to non availability of designated category (e.g. Foreign seats) is shifted to open merit Balochistan.
- CMH Quetta is the affiliated hospital and is providing an excellent clinical faculty with well organized ward, advance medical equipment and tertiary care facilities.
- Fee structure is based on no profit and revenue generated by the college is being spent on the same students in the shape of infrastructure development, state of the art facilities and one year salary for house job doctors. Fee structure is also lowest as compare to other private medical colleges.
- QIMS is also providing hostel facilities to 180 students (80 girls and 100 boys), mostly belonging to far flung areas of Balochistan.
- Extracurricular activities in the shape of various festivals, sport galas, recreational & study trips are arranged to different parts of the country to promote healthy environment. Cricket and Football grounds as well as Basketball, Volleyball / Net ball courts and the state of art indoor badminton court is also available for the students.
- Study tour of students to Rawalpindi / Lahore & surrounding areas is a regular feature of QIMS, Such tours include visits to important medical institutes of Pakistan like PMA Kakul, AFPGMI Rwp, MH Rwp, AM College Rwp.
- After completion of MBBS, QIMS has planned to sponsor and facilitate house job for QIMS graduates.
- Students of QIMS are encouraged and being facilitated to join Pakistan Army. Some students have already appeared in final interviews for M Cadet Scheme.
- Various academic workshops and guest speaker lectures are arranged to widen the horizon of students.
- Research projects are undertaken by the students to inculcate scientific approach and research attitude among them. In this respect first undergraduate scientific symposium was held in June 2016, in which 9 research papers were read and presented by students of 3rd, 4th and final year.

## VISION

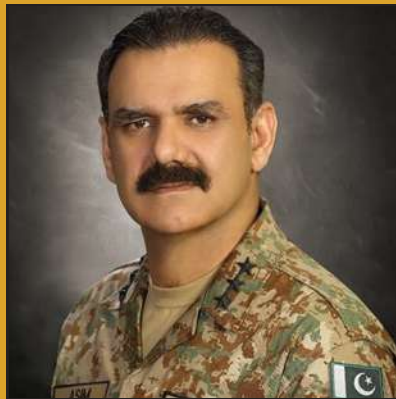

To emerge as a distinguished center of excellence in healthcare and medical education, encouraging and disseminating research and patient care, recognized for empowering its students and faculty and producing physicians of excellence engaged in providing outstanding medical care and services.

## MISSION

To lead Pakistan towards international quality of healthcare standards by educating and inspiring individuals to be exemplary physicians and researchers in medicine, scholars in discovery, and adopters of innovative technology to improve the health and well-being of all.

## GOALS

QIMS aims to produce world-class doctors, who are motivated to serve the humanity selflessly, to stay abreast with scientific development and compete nationally and internationally in community of doctors, specialists, researchers and medical scientists. For this purpose, rich and supportive environment enables the students to actively pursue their educational goals.

## MESSAGE FROM COMMANDER SOUTHERN COMMAND

**Lt Gen ASIM SALEEM BAJWA**

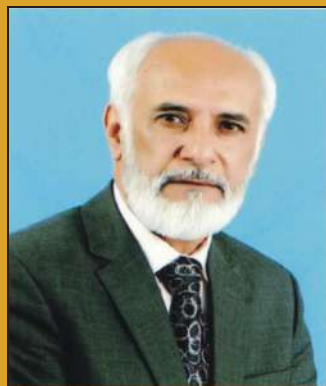

**Hilal-i-Imtiaz (Military), Tamgha-e-Basalat**

QIMS was established in 2011 by Pakistan Army to offer a path to continuous knowledge, research and development in the field of Medical Education to the aspiring youth of Balochistan. Within a short span of seven years, Quetta Institute of Medical Sciences has become a multidisciplinary institution with a variety to cater for the academic, social, professional, and creative needs of its students.

To support the robust academic and research curriculum, QIMS offer state-of-the-art facilities to their students and an environment conducive to learning and development. QIMS is a perfect platform where students discover their talents and strengths, and overcome weaknesses to achieve their educational, professional, and personal aspirations.

QIMS, while keeping in mind standards of quality education and patient requirements, pays special attention to the grooming of students as deliverers leaders and offers degrees in the discipline of MBBS.

I wish the student body, faculty and the Institution, all the best in their future endeavors.

## MESSAGE FROM PRINCIPAL

### PROF DR. ARBAB ABDUL WADOOD

Professional life in higher education necessitates a tremendous learning curve as professionals and faculty within a college are introduced to the new demands and trends associated with their tasks on their respective college positions. Each institution is its own living, breathing unit, and seasoned professionals and faculty require from time-to-time mentoring and career path strategies to foster themselves to grapple the oncoming challenges in higher education. Quetta Institute of Medical Sciences has raised the vigil for past couple of years to keep a sense of the pulse to nurture its human assets by mentoring and developing them in best ways possible. QIMS is a comprehensive institution with teaching central to the mission, along with expectations for its professional and faculty. Professionals were not promoted or tenured for strategic reasons in any higher academic institutions. Therefore, QIMS has long been realizing the fact that human assets' mentoring, career path activities, and professional development with the help of teaching and scholarship is the key to future performance stability. The overall purpose is, to develop and share ways to address the challenges of balancing effective human resource development with active engagement in organizational development for its professionals and faculty.

We, at QIMS, believe that formal human asset mentoring and development programs for professionals and faculty can help our college preempt the issues we may face while progressing forward. Mentoring is widely recognized for fostering success and reducing isolation among professionals. Moreover, departments benefit from improved recruitment and retention, increased investment in human resources and departmental activities, and enhanced work culture.

Our students are very innovative and ever eager to learn new concepts. Apart from teaching, our faculty members are deeply engaged in research work and scientific collaboration in national and international projects. Our students have demonstrated their capabilities and brilliance by securing house job in highly reputed hospitals. Our faculty and students regularly present their research findings in various academic conferences.

My best wishes to you all.

## MESSAGE FROM COMMANDANT & VICE PRINCIPAL

**BRIG SYED NADEEM UL HAQ**

Over the past seven years Quetta Institute of Medical Sciences has made remarkable progress in field of medical education and continuously increasing its reputation at both national and local level. This is evident from the increased application for Admission this year.

QIMS provide students with high quality market relevance and skill-based medical education, enabling them to become responsible citizens and simultaneously productive members in the field of medical education.

Quetta Institute of Medical Sciences maintains a high standard of education; QIMS place a priority on highly qualified faculty and professionals who provide a conducive and supportive learning environment. In addition to a wide spectrum of Medical Education, QIMS offers exciting opportunities for co-curricular activities as student of QIMS organize sports week, spring festival and various workshops etc.

Medical Education from QIMS is one of the best investments for a successful professional career. We encourage our students to work hard and strive for excellence in every aspect of their academic career.

With the blessings of Allah Almighty this institution will INSHA'ALLAH climb the ladder of success and become a symbol of medical professionalism and research in the region.

## Visit of Deputy Surgeon General Major General Khawar Rehman

Deputy Surgeon General, Major General Khawar Rehman along with Comdt CMH Brig Salman Ahmad Visited QIMS on 09 January 2017. Principal Prof Dr Arbab Abdul Wadood and other faculty Members welcomed the guests. During his briefing to Maj Gen Khawar Rehman, Vice Principal / Commandant Brig Muhammad Aleem said that Medicine and Dentistry are the noblest of professions and attract the most brilliant students. These students demand a system of selection that is duly probing, robust and fair. Quetta Institute of Medical Sciences has tried to make the process structured and transparent which is regularly reviewed to ensure that only suitable and capable candidates are admitted. Pakistan Army believes that all candidates should have an equal opportunity to show their suitability for the undergraduate course and entry to the medical profession based on the principles of Merit, Justice, Equity and Transparency. QIMS is the only Medical College in the Province where admissions are given only on purely merit basis.

Deputy Surgeon General added that Balochistan is the heart of Pakistan and we have to play our role towards the progress of our country. Youth is always an asset for any nation and now responsibility lies upon your shoulders. You are the nation builders. You should perform your duties very sincerely as Medical is a noble profession and it is your religious obligation too.

Deputy Surgeon General visited different departments and appreciated the faculty and students for maintaining such discipline and Quality educational standards in QIMS.

## Inauguration of QIMS Girls Hostel by Speaker Balochistan Assembly Raheela Hameed Khan Durrani

The inaugural ceremony of newly constructed Girls Hostel at Quetta Institute of Medical Sciences, commenced with the ribbon cutting ceremony followed by Dua'a at QIMS Girls Hostel. The newly constructed Girls Hostel, established from proposed funds of Speaker Balochistan Assembly Ms. Raheela Hameed Khan Durrani. Speaker Assembly was accompanied by Provincial Minister Sheikh Jaffar Mandokhail and Member Provincial Assembly Masooma Hayat. The newly inaugurated Girls Hostel at Quetta Institute of Medical Sciences consists of 26 Rooms with basic facilities of Dining Hall, Kitchen, and Gymnasium. Principal Prof Dr Arbab Abdul Wadood, Comdt/VP Brig Mohammad Aleem formally welcomed the Speaker Balochistan Assembly Ms. Raheela Hameed Khan Durrani.

While talking with media, Speaker Balochistan Assembly Ms. Raheela Hameed Khan Durrani said that the vision of incumbent government is an educated Balochistan and effective steps are adopted for the promotion of education in the province. On this occasion Principal Prof Dr Arbab Abdul Wadood, Comdt/VP Brig Mohammad Aleem said that the college has been equipped with all the latest requirements of medical education. Moreover, QIMS is committed to provide quality and latest education to the students of Balochistan under new system.

Speaker Balochistan Assembly further added that development is impossible without education and in view of the difficulties faced by students; we have provided them with modern hostel facility, which is necessary for medical students from remote districts of Balochistan. Later, Speaker Balochistan Assembly inaugurated the Poster / Model competition held by MBBS and nursing students of Quetta Institute of Medical Sciences and visited various sections of it. She praised the efforts of students. The Speaker also visited Central Library and other departments and appreciated overall excellent standard and commended the efforts of Faculty and Administration.

## QIMS Students Participation in Surgeon General International Conference

Principal Professor Dr. Arbab Abdul Wadood, Commandant/Vice Principal Brig Muhammad Aleem and ten other students from various medical colleges on attended the Surgeon General International Conference held in the garrison city of Rawalpindi.

Pertinently the 3-day conference, inaugurated by Mamnoon Hussain, the president of the Islamic Republic of Pakistan, was attended by surgeons hailing from different countries as well as meritorious students of various medical colleges of Pakistan who on the occasion presented their research papers.

QIMS 4<sup>th</sup> year student Zehra Bibi while representing QIMS presented the research paper was succeeded in securing second position throughout Pakistan. Appreciating the research work of the students Principal Prof Dr. Arbab Abdul Wadood, said that students usually get encouraged by holding such kind of conferences. He said that QIMS students would be invited in this kind of conference in future as well. The QIMS students while praising the faculty said that it was the result of hard work of learned professors that they were able to accomplish this outstanding feat.

## SPORTS WEEK 2017

Sports Week was conducted in QIMS from 21<sup>st</sup> to 30<sup>th</sup> April 2017. The weeklong event was filled with fervor and excitement experienced amidst thrills and cheers. The event included Cricket, Foot Ball, Volley Ball, Basket Ball, Long Jump, Tug of war and Athletics. Opening ceremony of Sports Week was held by Professor Dr. Arbab Abdul Wadood and Vice Principal Brig Muhammad Aleem. During his address Principal said that extra-circular activities are necessary for the students in order to build a competitive environment He also cherished the students for their performance and appreciated the students for punctuality and their interest in past sports activities. At the closing ceremony Drama, Attan, Funny Poetry and many other different programmes were presented which attained the attention of guests and participants.

Following team declared winner in different disciplines:-

DISCIPLINE	WINNER

TUG OF WAR – GIRLS	2 <sup>ND</sup> YEAR

In closing ceremony prize distribution was held. **MBBS 4th year team declared the overall winner of sports week.** A great interest was observed among the students and the participants. All of them came in a large number to enjoy the sports program. Principal distributed the prizes among winning players and he appreciated the work of Sports Committee for arranging successful sports week.

## SPRING FESTIVAL 2017

Spring festival is a time for students to celebrate their achievements, take a break from academics. An arts and craft helps students to release some creative energy, which is what spring festivals are all about. QIMS Spring Festival was celebrated on 9<sup>th</sup> May 2017. The Chief Guest of the Festival was Principal QIMS Prof Dr Arbab Abdul Wadood. While addressing chief guest Principal QIMS said that Celebrating Spring festival is a bid farewell to the winter season and to announce the arrival of spring season. QIMS always celebrate the event in a big way and has become a very powerful, famous and traditional festival of Quetta. Celebration of Spring Festival highlights the tradition that holds by the nation of our province.

In this festival student arranged different stalls including food, Games, Fun & Crafts. Students also arranged cultural items in their display which pleased and brought interest in the visitors'. Chief Guest visited the stalls and appreciated the student's efforts. This event was highly appreciated by the guests and received overwhelming response. Music concert and grand tambola was also held at the end of the festival.

## SECOND UNDERGRADUATE SCIENTIFIC SEMINAR

Second Undergraduate Scientific Symposium was held on 22nd May 2017 at Multipurpose Hall QIMS. The Chief Guest of the occasion was Vice Chancellor Balochistan University of Information Technology, Engineering and Management Sciences (BUIITEMS), Engr Ahmed Farooq Bazai (SI). Students from Sardar Bahadur Khan Women University, BUIITEMS, Bolan Medical College and Alhamd Islamic University participated in the symposium. Students from QIMS represented their research papers on different topics.

The Chief Guest Engr Ahmed Farooq Bazai (SI) in his address said that Well-designed activities, assignments and research enable the students to acquire foundational knowledge. He also told the students to think like professionals. It's important that much of the research in any given field should be done in a way which should allow student's involvement to increase their knowledge and abilities. Chief organizer Brigadier Salman Saleem also addressed the seminar and said that symposium organized by QIMS have improved dissemination of knowledge of the latest medical practices and techniques among student communities. Workshops and symposiums are indispensable in every field and when dealing with an area of study that works with people, it is absolutely essential.

Sajjad Hussain (Final Year) got first position, Mahnoor Khalid (Third Year) second and Rabia Nasir Kakar (Fourth Year) got third position in presenting research papers. Chief Guest presented shields and certificates among the winners. He also praised overall efforts of QIMS students and administration for organizing such a good event .

## QIMS FIRST CONVOCATION

Quetta Institute of Medical Sciences held its 1<sup>st</sup> Convocation on July 31, 2017 at Multipurpose Hall Quetta Club Limited. The Chief Guest of the occasion was Chancellor QIMS Governor Balochistan Muhammad Khan Achakzai, accompanied by Commander Southern Command Lieutenant General Aamir Riaz, HI (M), Lt Gen (R) Javed Zia, Ex-Comdt SC, Surgeon General Pakistan Army Lieutenant General Asif Mumtaz Sukhera HI (M) and Vice Chancellor University of Balochistan Prof Dr Javed Iqbal.

The proceeding of convocation started after recitation of Holy Quran followed by National Anthem. After conferment of Degrees and Gold Medals to the graduates, The Chief Guest Governor Balochistan Muhammad Khan Achakzai in his address stressed upon the importance of logical and revolutionary thinking for success. He congratulated the graduates and asked them to realize the greater responsibility on their shoulders for the betterment of society as they are the fortunate few who are equipped with skills and higher education. He lauded the efforts of the faculty, as well, and emphasized to play their part in grooming the young doctors with modern technical skills of medical education. Commander Southern Command Lieutenant General Aamir Riaz while speaking on the occasion said that the graduating students will be the custodian of a health care system and will perform a sacred job of keeping the society healthy and fit. He urged upon the graduating students to serve the country with utmost zeal and enthusiasm. Later on, the convocation was declared closed by the Chief Guest which marked the end of the ceremony.

## 14<sup>TH</sup> AUGUST INDEPENDENCE DAY 2017

Every nation celebrates its independence day with great zeal, fervor and renewed promise to make their country strong and affluent. Color full events were chalked out in a befitting manner to pay respect to those who sacrificed for the mother land for a bright future to the next generations. 14<sup>th</sup> August is the day of Independence of Pakistan every nation in the World celebrates its day of Independence with spirit of Happiness. Our nation also celebrates its day of Independence with great enthusiasm all over the Country. 14<sup>th</sup> August was also celebrated in QIMS with a lot patriotic spirit and zeal. On 14<sup>th</sup> August a Flag hoisting ceremony was held in morning in which Principal Prof Dr. Arbab Abdul Wadood, Vice Principal / Commandant Brig Usman Zahir, Dir HR & Acct Lt Col @ Ali Mehdi and Dir A&S Lt Col @ Aziz Ur Rehman participated. On this occasion Principal QIMS added that 14<sup>th</sup> August is a Day of Pride and Glory for us. QIMS also held an Independence rally in which Principal, Vice Principal, Directors, Admin Staff, Faculty and Students Participated. In the evening in Sports Area a Drama and National Songs were arranged by the students regarding Independence of Pakistan. Every one fully participated in the event of 14 August and prayed for the prosperity of Pakistan. The event ended with cake cutting ceremony and a grand dinner for all the participants.

## VISIT - COMMANDANT ARMED FORCES POST GRADUATE MEDICAL INSTITUTION (AFPGMI) RAWALPINDI MAJOR GENERAL AMMAR RAZA, TI (M)

Commandant Armed Forces Post Graduate Medical Institution (AFPGMI) Rawalpindi Major General Ammar Raza, TI (M) visited Quetta Institute of Medical Sciences on 13<sup>th</sup> October 2017. He was accompanied by 39 officers of MSc (Medical Administration) course Serial 37.

On this occasion, Principal Professor Dr. Arbab Abdul Wadood said that we have well experienced and professionally established faculty members who are dedicated to the cause of providing quality medical education through class room teaching and clinical training during the period of their study. Extensive clinical training is also provided to the students in affiliated hospital (CMH) in a manner that the students can shape themselves as a talented practitioner on completion of their course. Quetta Institute of Medical Sciences aims to train the doctors of tomorrow through a unique, well-defined curriculum and a dedicated focus on **"learning beyond the classroom"**

Commandant 21 MDC Brigadier Azad Ali Azad and Director Admin and Security Lt Col ® Aziz ur Rehman Kakar while briefing the officers said that Army has remained in forefront to develop Balochistan in all areas and establishment of QIMS is one of the initiative towards progress of Balochistan.

Later, Major General Ammar Raza, TI (M) along with 39 officers visited various departments and lauded the efforts of QIMS staff and said that I hope that QIMS will keep striving for new venues to create a tolerant, enlightened, progressive and dynamic society in Pakistan. He congratulated the academicians, faculty and staff for maintaining excellent environment and quality standard.

## QIMS FACULTY TRIP TO WALLI TANGI DAM

The outdoor and excursion activities provide recreation to the mind and body. It instills the values of sharing, co-operation, social interaction and discipline among the individual. In the same context Faculty of Quetta Institute of Medical Sciences went to Wali Tangi Dam on 4<sup>th</sup> November 2017.

The event was graced by the presence of the Principal Prof Dr Arbab Abdul Wadood and Commandant / Vice Principal Brigadier Nadeem ul Haq, faculty members and admin staff. Wali Tangi Dam was constructed by the Pakistan Army in the early 1960s with the purpose of supplying clean drinking water to the Urak Valley and Quetta for irrigation and human consumption. The dam stores and utilizes fresh water from melting snows in the surrounding Zarghoon Hills, which are part of the Sulaiman Range.

Principal, Vice Principal along with Faculty and Administration Staff thoroughly enjoyed the wonderful outdoor activity and said that the memories of this picnic will always be cherished from the bottom of our heart.

## VISIT - PRO VC NUMS MAJ GEN ® MUHAMMAD ASLAM

Pro Vice Chancellor National University of Medical Sciences (NUMS), Maj Gen ® Professor Muhammad Aslam visited QIMS on 13<sup>th</sup> November 2017. The purpose of the visit was to strengthen the relationship between NUMS and QIMS and to have an orientation with the Faculty and Management of QIMS and to speak with the students to motivate them. Earlier, Pro VC NUMS was extended warm welcome by Principal QIMS Prof Dr Arbab Abdul Wadood, Commandant / Vice Principal Brigadier Syed Nadeem ul Haq, and Senior Faculty / Administration QIMS.

While having session with QIMS faculty Pro VC NUMS said that Quetta Institute of Medical Sciences has become one of the leading medical institutions of Baluchistan. It has achieved maximum academic excellence in a short period since its inception. Students at Quetta Institute of Medical Sciences are provided with an encouraging environment conducive to learning and growth of all their positive inclinations. He also briefed about the working of NUMS and how NUMS is supporting its affiliated colleges regarding exams, admissions, policies and other matters.

In the second session while interacting with 2<sup>nd</sup> and 3<sup>rd</sup> Year MBBS students, Pro VC NUMS said that you are privileged to receive medical education at QIMS. You have a top-notch faculty, with an enviable student-to-teacher ratio. At Quetta Institute of Medical Sciences you have been immersed in an environment that stimulates creativity and innovation. He also briefed about the NUMS and while motivating students he said that you will be the custodian of a health care system in future and will perform a sacred job of keeping the society healthy and fit. He urged upon the students to work hard and serve the country with utmost zeal and enthusiasm.

He also visited central Library and other departments and appreciated overall excellent standards of QIMS and commended the efforts of Faculty and Administration.

## VISIT- ALLIED OFFICERS

Allied Officers from different countries including UK, Germany, Australia, Brazil, Nepal, Nigeria, China, Iraq, Egypt, Sudan, Srilanka, Bahrain, Bangladesh, Bosnia, Indonesia, Jordan, Lebanon, Malaysia, Maldives, Oman, Palestine, KSA, Turkey, Vietnam and Zimbabwe visited QIMS under the supervision of Command and Staff College Officers. Principal Arbab Abdul Wadood and Vice Principal Brig Nadeem Ul Haq welcomed the visitors. Visitors were briefed by Vice Principal about QIMS. Male officers were accompanied by Principal, Vice Principal, Lt Col ® Ali Mehdi, Lt Col ® Aziz ur Rehman and Manager College Affairs Irfan Dawood. Their families were accompanied by Faculty Member Dr. Farah Kasi for conducting visit of different departments including Library, Digital Lab, Community Medicine, Forensic Lab, Day Care and Anatomy Lab.

Principal QIMS in his address said that, at QIMS well experienced and professionally established faculty members are dedicated to their students to provide quality education through class room teaching and clinical training during the period of their study. Extensive clinical training also provided to the students in attached hospital in a manner that the students can shaping themselves as a talented practitioner on completion of their course. Quetta Institute of Medical Sciences aims to train the doctors of tomorrow through a unique, well-defined curriculum and a dedicated focus on **"learning beyond the classroom"**. QIMS create a positive and inclusive environment for high quality learning and teaching where everyone is valued and respected.

Allied officer were excited and enthralled with the display of local Atthan by the students of QIMS. In the end Allied Officers were presented with souvenirs and gifts to their families. Allied Officers praised the overall excellent standards of QIMS students and administration.

## BALUCHISTAN EDUCATION ENDOWMENT FUND (BEEF) CEREMONY

Balochistan Education Endowment Fund (BEEF) scholarship distribution ceremony was held in Quetta Institute of Medical Sciences Multipurpose Hall on 28<sup>th</sup> November 2017. Honorable Secretary Finance Haider Ali Sheiko, (Chairman BEEF), Dr Rasheed Masood Khan (CEO BEEF) visited QIMS for scholarship cheque distribution among the selected students.

While addressing students Secretary Finance said that today, I feel very privileged and honored to stand here in front of you all and acknowledge the achievements of brilliant students of QIMS who have made their parents proud. This program is held to help the young talents who have made an immense contribution to our society. These brilliant students exhibit such qualities that will not only help them in achieving their goals, but also bring glory of success to your institution.

In his address Principal QIMS added that Quetta Institute of Medical Sciences is one of the most promising Institutes in the field of medical studies in Balochistan. Since its inception in 2011, QIMS has been continually striving for excellence in the field of Medical Education by shaping young minds to become future leaders in health services, Medical Education, research and public health. It is the winning spirit which this institute wants to instill in each student's mind. QIMS educational strategy is to create a contributory learning environment and guide students to acquire the appropriate knowledge, skills and temperament to practice medicine as a member of the multidisciplinary health care system.

A total of 2.93 Million distributed among 61 selected students via cheque. In the end, Commandant / Vice Principal QIMS Brig Syed Nadeem ul Haq added and thanked Secretary Finance Haider Ali Sheiko, Dr Rasheed Masood CEO, and the BEEF members for taking this institution to new heights and creating a distinct path for the students to follow. Principal and Vice Principal QIMS also extended special thanks to all the participants for joining us and making this occasion a huge success.

## CHRISTMAS CELEBRATIONS AT QIMS

Christmas is the season of joy, holiday greetings exchanged, gift-giving, and families getting united. Quetta Institute of Medical Sciences celebrated Christmas festival with ardor and zeal. The Christmas celebrations took place at the Quetta Institute of Medical Sciences sports area on 25th December 2017.

A special prayers assembly was organized on the eve of Christmas, keeping in mind its sanctity and relevance. Cake cutting ceremony was held followed by Tea Break for Christian Staff. While Addressing Christian Staff Principal Quetta Institute of Medical Sciences Prof Dr. Arbab Abdul Wadood said that Christmas is a time to give and forgive. QIMS is thankful to all the Christian Staff for their continued, untiring hardworking support to the QIMS. Gifts and souvenirs were also presented during the celebration.

## VISIT - CADET COLLEGE MASTUNG

**"Human memory is picture oriented and not word oriented"**

**This is the main concept behind an educational tour**

Delegation from Cadet College Mastung visited Quetta Institute of Medical Sciences on 18<sup>th</sup> April 2018. Delegation included Adjutant Major Masood accompanied by 40 cadets from both 1<sup>st</sup> and 2<sup>nd</sup> year.

Director HR and Finance Lt Col ® Ali Mehdi, Director Admin and Security Lt Col ® Aziz-ur-Rehman Kakar, Manager College Affairs Irfan Dawood and Students of QIMS received the delegation with flowers.

While briefing, Director Admin & Security Lt Col ® Aziz-ur-Rehman Kakar said that college brochures only give you a fraction of needed information. The college information sessions and the campus tours will give you a much better idea of what the college is like. Moreover, a college visit is your opportunity to get a firsthand view of a college.

While interacting with cadets, Principal QIMS Prof Dr. Arbab Abdul Wadood said that Quetta Institute of Medical Sciences is using every opportunity to improve the quality of the students' learning experience as QIMS aims to create an atmosphere where a student will matter and achieve excellence to the best of his/her potential. It is good to know that QIMS has got facilities that are second to none and which give a huge range of opportunities to every student to succeed. I am delighted to know that QIMS provides a wide ranging curriculum and aims to create the best conditions possible for students to achieve their academic, social and personal potential. An outstanding reputation in co-curricular activities including sports means that students get many opportunities to develop their expressive side and they have plenty of chances to develop their interests outside classrooms.

Later, cadets visited various departments and were briefed about working of various departments. They were also served with tea break and were presented with college souvenirs & gifts by Commandant QIMS Brig Syed Nadeem ul Haq.
