Ltr no.03 QCD/IT

29th sept. 2024

1. **General:** In order to provide un interrupted and continuous education to our students LMS (google classroom + zoom) is to be available and functional for routine study schedules and for emergencies as well.

2. **Scope**

All educational material is to be uploaded along with schedules, study guides and log books for smooth implementation and execution of educational outcomes. In case of closure of the institute in emergencies, online classes will be fully operational and functional. If the Institute closure in emergencies coincides with exam dates, online exam will be conducted as scheduled.

3. **Requirements**

- a. All faculty and students will be trained for online classes and exams.
- b. Faculty to be trained to create, organize and manage courses with multimedia content
- c. IT staff will be available throughout the conduction of classes and exam.
- d. Integration with existing systems (HR, library)
- e. LMS will be user friendly such as on mobile devices.

Dean/Comdt QCD
